TRK 502X

TRK 502 X UPDATE

The new version of TRK502, was improved thanks to the experience of use obtained in more than 70 countries in different conditions of climate and terrain. TRK502 and TRK502X have gradually become icons of the adventure motorcycle. Here we present the most relevant updates. A plus ++ of technology, functionality, safety, comfort and aesthetics.

Double Up

The double-threaded pillion seat offers your passenger an equally exquisite ride. Heated stamping Benelli mark + improved cushion leather with hidden threaded sewing.

Superior Craftsmanship

Enjoy improved comfort, ergonomics, and aesthetics + double threaded sewing.

Fuel Tank Lower Garnish Plate

Plastic cover surface added hexagonal pattern.

Eye Your Competition

The view of disappearing vehicles has never been so clear as with the 502 X's stylishly redesigned mirrors. With carbon fiber texture + TRK Marking.

Max Utility at Every Turn

The new cast aluminum rear box bracket eliminates all limits and puts endless tours within your reach.

Superior Hand Protection

All-new handguards with cast aluminum mounting rods + TRK Marking, keep your grip secure no matter how hard you ride

Revised Swingarm

Feel and control have been further enhanced thanks to a redesigned swingarm + carbon dioxide welding.

On Guard

The muscular engine guards ensure the awesome parallel twin remains in pristine condition.

Preload-Adjustable Rear Suspension

Adjustable central shock absorber provides total control no matter the conditions.

Keep Your Feet On The Pegs

The footrest rubber utilize an improved design so you can keep your feet on the pegs and your eyes on road or trail.

Engine Facelift

The new engine's cover appearance styled by Benelli design staff, aesthetics and function in one piece.

Elegant Trellis Chassis

The redesigned steel trellis construction merges form and function, max strength and min weight. With matt black electrophoresis + powder coating finishing.

ADJUSTABLE HANDLEBAR HOLDERS

Redesigned anodized black bar includes the proud Benelli logo and a pitch level indicator for easy adjustments
